

Let Me Let Go
Faith Hill

E G#m A E
I thought it was over baby. We said our goodbyes
F#m E B A B E
But I can't go a day without your face going through my mind
E B* A E
In fact not a single minute passes without you in it
F#m E B A B E
Your voice, your touch, memories of your love are with me all of the time
C#m A E* A
Let me let go baby. Let me let go
E G#m C#m
If this is for the best, why are you still in my heart,
B A E A E
are you still in my soul? Let me let go

E G#m A E
I talked to you the other day. Looks like you made you escape
F#m E B A-B E
You put us behind. No matter how I try, I can't do the same

(Chorus)

C#m A E A
Let me let go baby. Let me let go
E G#m C#m
It just isn't right, I've been two thousand miles
B A
Down a dead-end road.

E A E A
Let me let go darling, won't you. I've just got to know, yeah

E G#m C#m
If this is for the best, why are you still in my heart,
B A E
are you still in my soul? Let me let go

D E
The lights of this strange city are shining
A Am G#m
But they don't hold no fascination for me
C#m
I try to find the bright side, baby
E E
But everywhere I look, everywhere I turn
A B A
You're all I see

(Repeat chorus to end)...
