Let Me Let Go Faith Hill

You re all I see

G#m A I thought it was over baby. We said our goodbyes But I can t go a day without your face going through my mind A In fact not a single minute passes without you in it E Your voice, your touch, memories of your love are with me all of the time C#m E* Let me let go Let me let go baby. G#m If this is for the best, why are you still in my heart, are you still in my soul? Let me let go G#m A I talked to you the other day. Looks like you made you escape В You put us behind. No matter how I try, I can t do the same (Chorus) C#m A Let me let go Let me let go baby. G#m It just isn t right, I ve been two thousand miles Down a dead-end road. Let me let go darling, won t you. I ve just got to know, yeah Ε G#m If this is for the best, why are you still in my heart, are you still in my soul? Let me let go The lights of this strange city are shining Am But they don t hold no facination for me I try to find the bright side, baby But everywhere I look, everywhere I turn ва

(Repeat chorus to end)...
