Faith Hill

---(capo 3rd fret)---

INtro - G - D - Em7 - C

(verse 1)

G D  
It s such a mystery,  
Em7 C  
How you found something in me,  
G Em7  
That I never knew was there,  
D C  
But you uncovered it so easily,  
You turn me like the season,  
G  
And I began to change,  
C  
You wrapped your arms around me,  
D  
Now I ll never be the same,  
G  
That s how love works,  
D  
That s how love moves,  
E C  
Like a river running through you,  
G D  
Sometimes it lifts you high as Heaven,  
E C  
It consumes you, that s a given,  
G D - Em7 - C  
That s how love moves,
