Intro: **G D/F# Em D** (X4)

**D** **Em** **G**  
So hot outside all I can wear is these cut off overalls  
**D** **Em G**  
And sandals on my feet.  
**D** **Em**  
But I emptied my pockets for a bus ticket  
**G** **D** **Em D**  
Just so I could sit there on a broken seat  
**G** **D Em D**  
I got no place I should go, I got no worries you know  
**G** **D Em D**  
Second or seventh street, it doesnt matter to me.  
**Em** **G**  
Cause youre mine, thats all I need to know  
**Em** **D**  
The sun shines everywhere we go  
**Em** **G**  
Its so right cause Ive got you to hold  
**A**  
Every night yeah  
**G** **D/F# Em D**  
Im the lucky one.  
**G** **D/F# Em D**  
Im the lucky one.  
**D** **Em** **G**  
Well I pulled back down to my upstreet apartment  
**D** **Em G**  
The air never works in that old place  
**D** **Em** **G**  
Twenty-seven I thought Id be further along  
**D** **Em D**  
Than just this rented space  
**G** **D Em D**  
I got no papers to read, I got no cable TV  
**G** **D Em D**  
And I got no places to be, I got no people to meet

Chorus

Break: **G D G D**
