

**Wild One**  
**Faith Hill**

Wild One    Faith Hill

Intro chords    **B E B F#    B E F# B**

**B                    E                    F#                    E                    B**  
They said change your clothes    she said no I won t  
**E                    F#                    E                    B**  
They said comb your hair    She said some kids don t  
**F#                    E                    B                    B E B F#**  
And her parents    dreams went up in smoke  
**B                    E                    F#                    E                    B**  
They said you can t leave    She said yes I will  
**E                    F#                    E                    B**  
They said don t see him She said his name is Bill  
**F#                    E                    B**  
She s on a roll and it s all uphill

CHORUS:

**E                    B                    F#                    B**  
She s a wild one    With an angel s face  
**E                    B                    F#                    B**  
She s a woman-child in a state of grace  
**B                    D#m**  
When she was three years old on her daddy s knee  
**C#m                    F#**  
He said you can be anything you want to be  
**E                    F#                    B E B F#                    B E F#    B**  
She s a wild one runnin    free

**B                    E                    F#                    E                    B**  
She loves rock and roll They said it s Satan s tongue  
**E                    F#                    E                    B**  
She thinks they re too old    They think she s too young  
**F#                    E                    B**  
And the battle lines are clearly drawn

go to chorus

**C#m                    E**  
She has future plans and dreams at night  
**E                    F#**  
When they tell life is hard she says that s all right

go to chorus, chorus
