**Faith Hill**

Capo 1

Intro:     **D**   **G6**     **D**     **A**     **D**     **G6**     **D**     **A**

**D**                                   **A**  
A little girl, a little small for her age  
**G**                                   **A**  
A little too slow for the field day race  
**D**                                   **A**  
Momma s waiting at the finish line  
                 **G**                                   **A**  
And wipes the teardrops from her eyes  
          **D**                                   **A**  
She says, You did just fine honey, that s OK  
**G**                                   **Em**                                   **A**  
Sometimes life is just that way  
                  **D**                                   **A**  
Your re gonna lose the race from time to time  
                  **G**                                   **Em**                                   **A7**  
But you re always gonna find

**D**  
You can t lose me  
**A**  
Bet your life  
**G**                                   **D**  
I am here and I will always be  
**A**                                   **G**  
Just a wish away  
                  **D**  
Wherever you go  
          **A**  
No matter how far  
**G**                                   **A**  
My love is where you are  
**Em**                                   **A**  
You won t be lost if you believe  
                  **D**   **G6**     **D**     **A**  
You can t lose me

**D**                                   **A**  
Momma used to say, Girl it won t be long  
                  **G**                                   **A**  
Til it s time to go out on your own  
**D**                                   **A**  
Chase your dreams find your place in life  
          **G**                                   **A**

I know you ll do just fine

**D** **A**

When that day finally came

**G** **Em** **A**

There were things she needed to but could not say

**D** **A**

So I whispered softly as I wiped

**G** **Em** **A7**

The tears from Momma s eyes

**D**

You can t lose me

**A**

Bet your life

**G** **D**

I am here and I will always be

**A** **G**

Just a wish away
