

**You Give Me Love**  
**Faith Hill**

Intro: **C Dm Bb** (twice)

**C Dm Bb**  
You turn around  
**C Dm Bb C**  
Then you ask me behind tears of doubt  
**Dm Bb F**  
Just what do I see in you  
**C Dm Bb**  
Please don t cry  
**C Dm Bb C**  
I know sometimes it seems we barely get by  
**Dm Bb C**  
But you don t see how much you do

To get me through

**F C**  
When the world is cold  
**Dm Bb**  
And I need a friend to hold  
**C**  
You give me love, you give me love  
**F C**  
And when my hope is gone  
**Dm Bb**  
And I feel I can t go on  
**Bb**  
You pick me up  
**C C Dm Bb**  
You give me love, you give me love

**C Dm Bb**

I apologize  
If I never told you what you are in my eyes  
Oh baby let me tell you now  
Every day  
Looks sweeter knowing you ll be there in every way  
Now how can you say that s not enough

Everything my heart desires

Morning sun and midnight fires

Someone there to share my dream
