

Digging The Grave
Faith No More

Album: King For A Day, Fool For A Lifetime

Transcribed by: Martin van Aert (email: **)

I may have messed up the Interlude-part, but the rest is pretty accurate. Just use loads of distortion and a slight delay (aprox. 100 ms). Enjoy it! Any suggestions and/or comments on this piece are welkom. I m also still looking for a good version of the Smashing Pumpkins version of Landslide.

SONG TEXT:

It would be wrong to ask you why
 Because I know what goes on inside
 Is only half of what comes out
 Isn't that what it's about?
 To remind us we're alive
 To remind us we're not blind
 In that big, black hole
 Comfortable
 Digging the grave, I got it made
 Let something in, or throw something out?
 You left the door open wide
 I know you have a reason why
 That knot is better left untied
 I just went and undid mine
 It takes some time
 And the shadows so big
 It takes the sun out of the day
 And the feeling goes away
 If you close the door
 Comfortable
