Don t worry, baby

Dm

Would you like some candy?

Look into my eyes
I ve seen it all
Hand in hand
Together we fall

A G

We ll sing and dance
And we ll find romance

D C

And we ll stroll to the edge of the world

Am G

Come sit right down
Lay your head on my shoulder
It s not the point
That I m forty years older

Dm C

You can trust me
I m no criminal
But I d kill my mother
To be with you

A G

We ll sing and dance
And we ll find romance

Am G

Give me a smile
Let me see those pearlies
I ll do anything
For the little girlies...
