Guitar tab: Everything s Ruined

Transcribed by Harley Jackson (*)

Here is my interpretation of this great song. I haven t made much of an attempt at tabbing the timing; listen to the song to pick this up. I ve also only tabbed the chords if there is some fingering in the bar, otherwise I ve just written the name of the chord. I generally play the barre version of the chord.

Notation:

- F# / /... keep strumming F# (even if it s not shown on the tab)
- (F#) play quietly
- 2h3 hammer on
- h2 play the note by hammering it on
- 3p2 pull off
- 7b(9) bend
- 7b(9)r7 bend and release
- F# E play F# cord then slide down to E
- 10/1710 slide up then down

Intro:
