E-----	-----

Repeat Rythym part 1 with the following lyrics:

Return to my own vomit like a dog
Rhymes and giggles muffle the dialogue
Carve my initials in a tree I will never leave
Maybe one day I ll be royalty

Chorus:

      |--PM---|

```

Repeat the above chorus bit with:

Born late - will I grad - u - ate ?

Then back into the rythm part 1 with these lyrics:

Drink fountains are shorter than they used to be
No body s s posed to believe in the next grade
Write it a hundred times

Then back into the chorus with these lyrics:

Wait - ing
Bells not ring - ing

Now some keyboard and bass stuff

followed by:

3rd Verse

=====

Play the intro again with lyrics. Replacing the last bar of the intro with sommat like this:

```
E-----|
B-----|
G-9(b)-7---7-----|
D-----9---9-7-9-7-----|
A-----9-8-7-8-7-5--|
E-----|
```

Everythings gone quiet suddenly;
no Dolby, and the theatre is empty
Film is flapping on the side of the projector
The reel is over
Banished with my sticky shoes and stinging eyes
Walking outside

Back into the chorus with same lyrics as the first one

```
E-----|
