

Last cup of sorrow
Faith No More

Intro: **G5 E** (2x alto)

(**G5 E**)

This is getting old and so are you
Everything you know and never knew
Will run through your fingers just like sand

Enjoy it while you can

*****Refrão*****

G5

Like a snake between two stones

E

It itches in your bones

G5

Take a deep breath and swallow

E

Your sorrow, tomorrow

(**G5 E**)

So raise it up and let s propose a toast
To the thing that hurts you most

B

A

It s your last cup of sorrow

G

A

What can you say?

B

Finish it today

A

It s your last cup of sorrow

G

A

So think of me

(**G5 E**)

And get on your way!

*****Refrão*****

(**G5 E**)

G5 E

It won t begin until you make it end
Until you know the how the where and the when
With a new face you might surprise yourself

(((((Refrão))))))

You might surprise yourself..... (11x)
