

**Feel Me
Faithless**

[Verse]

Am

Feel me now

Feel the pain

Am

Take the blame

Feel the strain

Am

Before a word was spoken

My heart was broken

Am

Feel me now

Feel the pain

Am

Take the blame

Feel me now

Am

Feel the pain

Take the blame

Am

Feel the same

Before a word was spoken

My heart was broken

[Verse]

Am

Feel me now

Feel the pain

Am

Take the blame

Feel me now

Feel the pain

Am

Take the blame

Feel the same

Am

Before a word was spoken

My heart was broken

Am

Feel me now

Feel the pain

Or take the blame

[Verse]

Am

Feel me now

Feel the pain

Am

Wait a minute

Stop! Stop!

Am

Here comes a love song

There goes the banister!

Am

Feel me now

Feel me now

Am

Find a plate glass window waiting for you

And you and you

Ohhh

Am

Here comes a love song

There goes a banister

Find a plate glass window waiting for you
