

**Deadly Beauty**

**Falk**

Noticed none of Faces Without Names s songs were on here (why the heck not??) so I tried to figure out the chords. Sorry if they aren t perfect, they re pretty dang close though! The chords are easy, to make it easier use a capo on the 2nd fret and use the chords **Em (F#m)**, **C (D)**, **G (A)**, and **D (E)**.

Such a sad song!! To every single girl in the world: YOU ARE BEAUTIFUL!!!!!!
