D **Em**
I confess, I'm just messed up
Bm **G**
Dropping 'I'm sorrys' like you're still around
D **Em**
And I know you dressed up
Bm **G**
Said 'hey kid, you'll never live this down?'

D **Em**
And you're just the girl all the boys want to dance with
Bm **G**
And I'm just the boy who's had many chances
G **Bm**
I'm sleeping on your folk's porch again dreaming
A
She said, she said, she said,
A
'Why don't you just drop dead?'

D **G** **G** **Bm**
I don't blame you for being you
D **G** **G**
But you can't blame me for hating it
D **G** **G** **Bm**
So say, what you waiting for?
D **G**
Kiss her, kiss her
G
I set my clocks early cause I know I'm always late

[Intro] 1x

Cause darling what did you expect
D **Em** **Bm** **G**
I'm just off a lost cause a long shot, don't even take this bet

D **Em**
You can make all the moves, you can aim all the spotlights

Bm **G**
Get all the sighs and the means just right
