Em

Some legends are told G Some turn to dust or to gold C But you will remember me Am D Remember me, for centuries

\mathbf{Em}

And just one mistake **G** Is all it will take, **C** We ll go down in history **Am D** Remember me for centuries

Em G C

Heeeya, heeey, heeeya Am D Remember me for centuries

\mathbf{Em}

Mollified my teenage dreams **G** No it s nothing wrong with me **C** The kids are all wrong, the story s all off **Am D** Heavy metal broke my heart

Em

Come on come on and let me in **G** Those bruises on your thighs, like my fingerprints **C** This is for tonight, the darkness that you felt,

Am

I never meant for you to fix yourself

D

Some legends are told G Some turn to dust or to gold C But you will remember me Am D Remember me, for centuries

Em

And just one mistake G Is all it will take, C We ll go down in history Am D Remember me for centuries

Em G C Heeeya, heeey, heeeya

Am D Remember me for centuries

Em

I can t stop till the whole room knows my name G Cause I was only born inside my dreams C Until you die for me, as long as there s a light Am My shadows over you D Em Cos I am the opposite of amnesia

\mathbf{Em}

You re my cherry blossom, G You re about to bloom C You look so pretty Am D But you re gone so soon

\mathbf{Em}
