

Dont You Know Who I Think I Am
Fall Out Boy

I ve figured out the chords for DYKWITIA
It might sound a bit wierd in some places but it works
it also sounds a bit off if you play it along with the song
So please rate and message me if theres anything you d like to add.

So here we go

Capo 1

(**Am G C F**)

Oh oh oh oh

Oh oh oh oh

(**C Am F G**)

A penny for your thoughts but a dollar for your insides
Or a fortune for your disaster
I m just a painter and I m drawing a blank

(**Am G C F**)

We only want to sing you to sleep
In your bedroom speakers, whoa
We need umbrellas on the inside
Get me just right

(**C Am F G**)

They say quitters never win
We walk the plank on a sinking ship
There s a world outside of my front door
That gets off on being down

(**Am G C F**)

Oh oh oh oh

(**C Am F G**)

I could learn to pity fools as I m the worst of all
And I can t stop feeling sorry for myself
Whoa

(**Am G C F**)

We only want to sing you to sleep
In your bedroom speakers, whoa

We need umbrellas on the inside
Get us right

(C Am F G)

They say quitters never win
We walk the plank on a sinking ship
There s a world outside of my front door
That gets off on being down
They say quitters never win
We walk the plank on a sinking ship
There s a world outside of my front door
That gets off on being down

(Am G C F)

We only want to sing you to sleep
In your bedroom speakers, whoa whoa
We only want to sing you to sleep

(C Am F G)

They say quitters never win
We walk the plank on a sinking ship
There s a world outside of my front door
That gets off on being down
They say quitters never win
We walk the plank, and we walk the plank
There s a world outside of my front door
That gets off on being down

(Am F C G)

Broken down on memory lane
Alone together, we re alone (Woah)
We re broken down on memory lane
Alone together, we re alone

(Am G C F)

Oh oh oh oh
