Fall Out Boy

Intro: **Bm G D A**

[VERSE 1]

Bm **G**
Do you do, do you remember
D **A**
When we drove, we drove, drove through the night
Bm
And we danced, we danced
G **D** **A**
To Rancid, and we danced, we danced
Bm **G**
And I confessed, confessed to you
D **A**
Riding shotgun underneath the purple skies
Bm
And we danced, we danced
G **D** **A**
With windows down, and we danced, we danced

[PRE-CHORUS]

Bm **G**
I ll spin for you like your favorite records used to
D **A**
I ll spin for you like your favorite records used to

[CHORUS]

Bm **G**
You were the song stuck in my head
D **A**
Every song I ve ever loved
Bm **G**
Played again and again and again
D **A**
And you can get what you want but it s never enough
Bm **G** **D A**
And I ll spin for you like your favorite records used to
Bm **G** **D A**
And I ll spin for you like your favorite records used to
