[Intro]

E F#m C#m C#m (x2)

[Verse 1]

E F#m
Don t panic, no, not yet.
C#m
I know I m the one you want to forget.
E F#m
Tell all the love to leave my heart,
C#m
It s time for me to fall apart.

B
Now you re gone, but I ll be okay.
A
Your hot whiskey eyes have fanned the flame.
B
Maybe I ll burn a little brighter tonight,
A
Let the fire breathe me back to life.

[Chorus]

C#m A
Baby you were my picket fence,
E B
I miss missing you, now and then.
C#m A
Chlorine kissed summer skin.
E B
I miss missing you, now and then.

C#m
Sometimes before it gets better,
A
The darkness gets bigger,

E **B**
The person that you'd take a bullet for is behind the trigger,
C#m **A**
Oh, we're fading fast,
E **B**
I miss missing you, now and then.

[Interlude]

E **F#m** **C#m** **C#m**

[Verse 2]

E **F#m**
Making eyes at this husk, around my heart.

C#m
I see through you and we're sitting in the dark.

E **F#m**
So give me your filth, make it rough.

C#m
Let me, let me, trash your love.

B
I will sing to you everyday,
A
If it will take away the pain.
B
Oh and I heard you've got it, got it so bad.
A
Cause I am the best, you'll never have.

[Chorus]

C#m **A**
Baby you were my picket fence,
E **B**
I miss missing you, now and then.
C#m **A**
Chlorine kissed summer skin.
E **B**
I miss missing you, now and then.

C#m
Sometimes before it gets better,
A
The darkness gets bigger,
E **B**

The person that you'd take a bullet for is behind the trigger,

C#m **A**

Oh, we're fading fast,

E **B**

I miss missing you, now and then.

[Bridge]

E **F#m** **C#m** **C#m**

Now and then (x4)

(oh oh oh oh) (oh oh oh oh) (oh oh oh)

[Outro]

E **F#m**

Baby you were my picket fence

C#m

I miss missing you, now and then.

E **F#m** **C#m** (Hold **C#m**)
