I comb the crowd and pick you out
My mouth moves too fast for you to figure it out
It starts eyes closed to fingers crossed
To I swear, I say
To hands between legs, to whatever it takes
To drinks at the club, to the bar
To the keys to your car
To hotel stares/stairs to the emergency exit door

To the love, I left my conscience pressed
Between the pages of the Bible in the drawer
What did it ever do for me I say
It never calls me when I m down
Love never wanted me
But I took it anyway
Put your ear to the speaker
And choose love or sympathy
But never both
Love never wanted me

I hoped you choked
And crashed your car
Hey tear catcher , that s all that you are
And ever were
From the start
I swear, I say

(I swear, I say)

To hands between legs, to whatever it takes
To drinks at the club, to the bar
To the keys to your car
To hotel stares/stairs to the emergency exit door, no

To the love, I left my conscience pressed
Between the pages of the Bible in the drawer
What did it ever do for me I say
It never calls me when I m down
Love never wanted me
But I took it anyway
Put your ear to the speaker
And choose love or sympathy
But never both, no

To the love I left my conscience pressed
Through the keyhole, I watched you dress
Kiss and tell
Loose lips sink ships
[b]To the love I left my conscience pressed
Through the keyholes, I watched you dress
Kiss and tell
Loose lips sink ships
To the love I left my conscience pressed
Through the keyholes, I watched you dress
Kiss and tell (kiss and tell)
Loose lips sink ships
To the love I left my conscience pressed
To the love I left my conscience pressed
To the love I left my conscience pressed
Between the pages of the Bible in the drawer
What did it ever do for me I say
