Cm
I heard a knock upon my door the other day,
Ab
I opened it to find death staring in my face,
Cm
The feel of mortal stalking still reverberates,
Ab **Bb**
Everywhere I go I drag this coffin just in case.

Cm - Ab - Cm - Ab - Bb

Cm
My bodies tremblin sends shivers down my spine,
Ab
Adrenaline kicks in shifts into overdrive,
Cm
Your secrets keep you sick your lies keep you alive,
Ab **Bb**
Snake eyes every single time you roll with crooked dice,

Cm
I felt the darkness as it tried to pull me down,
Ab
The kind of dark that haunts a hundred year old house,
Cm
I wrestle with my thoughts I shook the hand of doubt,
Ab **Bb**
Running from my past I m praying feet don t fail me now!

Eb
I ve lost my god damn mind,
Cm
It happens all the time,
Gm
I can t believe I m
Ab **Bb**
Actually, meant to be
