

**Bittersweet  
Falling Up**

Bittersweet

**Dm**  
Release the gate of Beautiful  
**Bb** **D** **C**  
I am staying down to hide in rooms away  
**Dm**  
These tears they build me up a house,  
**Bb** **D** **C**  
Then they pour on down and wash the house away  
**Bb**  
And I am left to fight the waves  
**Gm**  
(He s around me constantly )  
  
(Chorus)  
**F** **C**  
I kissed these lonely tears I shed goodbye  
**Dm** **C**  
Because Iâ€™m bittersweet, without You Father thereâ€™s no reason  
**F** **C**  
I kissed these lonely tears I shed goodbye  
**Dm** **C**  
Because I m bittersweet  
  
**Dm**  
Close up my heart it makes me feel,  
**Bb** **D** **C**  
Like these rooms will close in, locking all the doors  
**Dm**  
With these hands and broken stones,  
**Bb** **D** **C** **Bb**  
I have built a legacy and now itâ€™s time to move on, move on  
**Gm**  
(He s around me constantly)  
  
(chorus)
