

**Broken Heart
Falling Up**

Artist: Falling Up
Song: Broken Heart
Album: Crashings
Composer: Jessy Ribordy
Year: 2004

Verse 1:

Em **C**
In this moment synchronized inside, words that paint a legacy of life
Bm **D**
A different picture will unfold, a healing finds its way through
Em **C**
Sifted times I take another breath, with an ambiance of nothing left
Bm **D**
So heal my heart rain down Your love; these waters bring me back to life

Chorus:

Cadd9 **G** **Em7** **D**
Father, Healer, deliver me from broken love
Cadd9 **G** **Em7** **D**
Stay here, closer, let me hear Your voice of love

Verse 2:

Em **C**
There s a healing calling from the wind, there s a Healer waiting to begin
Bm **D**
In timeless places, traced and faceless will I learn to let go
Em **C**
Take me to the heights where love controls, far away from home, but feels so
close
Bm **D**
This empty heart of mine will fall inside and bring me back to life

Chorus:

Cadd9 **G** **Em7** **D**
Father, Healer, deliver me from broken love
Cadd9 **G** **Em7** **D**
Stay here, closer, let me hear Your voice of love

Bridge:

Cadd9 **G** **Em7** **D**
You can hold, You can mend
Cadd9 **G** **Em7** **D**

You can heal, you can break
I hold cause something etched this way

Chorus:

Cadd9 **G** **Em7** **D**

Father, Healer, deliver me from broken love

Cadd9 **G** **Em7** **D**

Stay here, closer, let me hear Your voice of love

Cadd9 **G** **Em7** **D**

Savior, Redeemer bring me to this place of peace

Cadd9 **G** **Em7** **D**

Jesus, Guardian my broken heart is so in need
