

**Fearless 250 And Dark Stars
Falling Up**

Submitted by Me, I m not 100% positive that the part when the girl sings
is correct but

It should be pretty close

Intro: **Am F C G**

Verse 1:

Am **F** **C**
Empty house far away, lost in lonely space.

D
You know you ve felt the same.

Am **F** **C**
From the shallows in love to the depths of your scars.

D
You know you want to change.

Am F C G

Verse 2:

Am **F**
In the rafters, a vate,
C **D**
fixed and spinning late, there s a certain fear.

Am **F**
Even light with control,
C **D**
lights outside our homes, wait for every tear.

Chorus:

F **G** **Am**
So exit the fall and now it s over.
F **G** **Am**
You re learning it s all before your heart.
F **G** **Am**
So exit the fall and now it s over.
F **G** **Am**
You re learning it s all before your heart.

Chorus 2:

Am **F**
I found a way out through everything I ve known.
C **Am** **G**
I m walking fearless with my faith down and all that I own.
Am **F** **C** **G**
Don t take my picture cause I won t be there standing alone.
Am **F**
I m living fearless, so fearless.
C **G**

Like every day s my own.
