**Em7** **D**  
Static night, I ll be leaving soon  
**Cadd9** **G** **Dsus4**  
It won t be long, no it won t be long  
**Em7** **D**  
Cause I m wearing out under nowhere s moon  
**Cadd9** **G** **Dsus4**  
It won t be long, no it won t be long  
**Em7** **Cadd9** **G**  
Until I see the sun splash up the night sky  
**Em7** **Cadd9** **D**  
And call it out to turn the planet new

Chorus:

**G**  
So goodnight gravity  
**D**  
It has kept me down  
**Cadd9** **G**  
But I always get just one more try  
**Em7** **D**  
I always get just one more try

Verse 2:

**Em7** **D**  
Space between, there is such divide  
**Cadd9** **G** **Dsus4**  
It won t be long, no it won t be long  
**Em7** **D**  
Cause honestly there s a storm inside  
**Cadd9** **G** **Dsus4**  
It won t be long, no it won t be long  
**Em7** **Cadd9** **G**  
Until I see the sun splash up the night sky  
**Em7** **Cadd9** **D**  
And call it out to turn the planet new

Chorus:

**G**

So goodnight gravity

**D**

It has kept me down

**Cadd9** **G**

But I always get just one more try

**Em7** **D**

I always get just one more try

Bridge:

**D** **Cadd9**

And in the morning

**G**

I will find my heart

**D**

I will find my heart (2x)

Chorus:

**G**

So goodnight gravity

**D**

It has kept me down

**Cadd9** **G**

But I always get just one more try

**Em7** **D**

I always get just one more try
