

**Intro The Gravity
Falling Up**

Verse 1:

This place I pass, is in my eyes
The words You spoke, they blow away like leaves in time
Your clarity, it starts to need
And I am left with words I m leaving underneath

Chorus:

This is oceans in
Races start again
Cause you want---- everything (2x)

Verse 2:

I see beneath, I hear the breath
I feel the deep and shallow dreams that try to pass
But in this place, where echoes stay
Is just the place where I will start to find escape

Chorus:

This is oceans in
Races start again
Cause you want---- everything (2x)

Bridge:

Your world is crashing to the ground
You re alo----ne (2x)

Chorus:

Am

This is oceans in

C

Races start again

Em **D**

Cause you want---- everything (4x)
