Verse 1:

**Em D Em D**  
We are drifting in and out of time once again

Some quiet pose and waiting aim

**Am Em**  
We are no more than criminals  
**D C**  
who take what we never had

who gives what we never had  
  
this is the life everyone lives  
**Am D Em**  
dangerous in, dangerous out

Take hold when leaving this home
