

**Streams Of Woe At Acheron**  
**Falling Up**

Verse 1:

**Em**      **C**              **Am**              **C**      **D**  
Turn away I ll pull the fangs out  
**Em**              **C**              **Am**              **D**  
Spinning room it s getting dark

Pre-Chorus:

**Am**                                      **C**  
This is the green lift, this is the archer  
**Em**  
You never say that  
**Am**                                      **C**                                      **Em**  
This is the green lift, this is the archer

Chorus:

**C**              **G**              **D**              **Em**  
This starry night, the blue of seas  
            **C**              **G**              **D**  
Are lifted off the ground  
            **C**              **G**              **D**              **Em**  
So poised and still, the figures hold  
            **C**              **G**              **D**  
That I will not be found

Verse 2:

**Em**      **C**              **Am**      **C D**  
Turn away the Islet spiders  
**Em**              **C**              **Am**              **D**  
Gloaming pulse, the Siletzs stole

Pre-Chorus:

**Am**                                      **C**  
This is the green lift, this is the archer  
**Em**  
You never say that  
**Am**                                      **C**                                      **Em**  
This is the green lift, this is the archer

Chorus:

**C**              **G**              **D**              **Em**  
This starry night, the blue of seas  
            **C**              **G**              **D**

Are lifted off the ground

**C**                    **G**                    **D**                    **Em**

So poised and still, the figures hold

**C**                    **G**                    **D**

That I will not be found
