Voices Falling Up Artist: Falling Up Song: Voices Album: Midnight on Earthship Composer: Jessy Ribordy Year: 2013 Intro: Bm G D Verse 1: G I started running cause I'm born in free D D Α Cause my brighter eyes, my wild heart wants danger D I found the future and I climbed the stairs The rising sky, the place of all the angels Verse 2: G But then the hour turned to darkened skies To waves that swept and swam to me in silence With heavy eyes and weakened hands I lost D Α Black emerald freezing crashing seas to sleeping Chorus: Call to the lonely earth Maybe we were hearing voices Come let Your fire burn Maybe we are hearing voices Maybe we are hearing voices

Bridge:

That woke us up

Bm G D

Just cause I m free it doesn t mean I m not

A D A D G

bound to love, I m bound to Grace so desperate

Bm G D

We re all a people of an injured heart

A D G

But that s what makes it perfect

Chorus:

D

Call to the lonely earth

D G

Maybe we were hearing voices

D

Come let Your fire burn

D (

Maybe we are hearing voices

Bm

Maybe we are hearing voices

G D

That woke us up
