

Everytime
Family of the Year

G Am D
I haven't seen you since you left LA,
C Am
I want to say I'm sorry now.
G Am D
You know I wanted things to be okay,
C Am
You know how hard it is.

G
Everytime you love,
D
Everytime you try,
Am C
You think another memory
G D
I don't know where it goes or what we're going to do,
Am
but know that you're a part of me.

G Am D
I've been crazy, I've been gone
C Am
and now it's all coming back to me.
G Am D
Was I being just a kid?
Em Am
and didn't know what was good for me?

G
Cause, Everytime you love,
D
Everytime you try,
Am C
You think another memory.
G D
I don't know where it goes or what we're going to do
Am
but know that you're a part of me.

(If anyone has any help for this little bit would be appreciated)
How long can we go throwing away everything we are
to everyone, to everyone?

G Am D
Will you walk with me? and talk with me?

C **Am**
Back where we used to be?
G **Am** **D**
So much older now and smarter,
C **Am**
but the damage has been done.

G
Everytime you love,
D
Everytime you try,
Am **C**
You think another memory.
G **D**
I don t know where it goes or what we re going to do,
Am
but know that you re a part of me.
