

**Side Effects Of You**  
**Fantasia Barrino**

I tried to create the chords to the whole song but I couldn't figure out the Bridge sorry. enjoy !!!

V1: **Em C G D**

I was looking for a cure to pull me through

**Em C G D**

Try to decide which medicine to use

**Em C G D**

And every bottle has your name on the label

**Em C G D**

Doctor said you keep me stable

**Em C G D**

So now, Iâ€™m taking three a day to help me smile

**Em C G D**

They said I should wait and try it for a while

**Em C G D**

So Iâ€™ve been ignoring my symptoms

**Em C G D Am C**

And the small print on the back of my prescription

Chorus:

**Em C G D**

What Iâ€™m gonna do is

**Em C G D**

Fever over 98, you hold me and my body shakes

**Em C G D**

See nobody told me, nobody told me

**Em C G D**

The side effects of you

**Em C G D**

Losing balance, falling down

**Em C G D**

Sleepless nights whenever youâ€™re around

**Em C G D**

Nobody told me, nobody told me

**Em C G D Am C**

The side effects of you

The side effects of you

V2:

**Em C G D**

I double checked the recommended dose

**Em C G D**

Cause recently my headaches getting worse

**Em C G D**

Sometimes every part of me is shaking

**Em C G D Am C**

Is this the right pill that Iâ€™m taking

Chorus: **Em C G D**  
What Iâ€™m gonna do is **Em C G D**  
Fever over 98, you hold me and my body shakes **Em C G D**  
See nobody told me, nobody told me **Em C G D**  
The side effects of you **Em C G D**  
Losing balance, falling down **Em C G D**  
Sleepless nights whenever youâ€™re around **Em C G D**  
Nobody told me, nobody told me **Em C G D Am C**  
The side effects of you

Youâ€™re supposed to take away the pain

But it hurts the same

And itâ€™s getting harder

I thought you were taking care of me

But I canâ€™t breathe

And itâ€™s getting harder

Chorus: **Em C G D**  
Fever over 98, you hold me and my body shakes **Em C G D**  
See nobody told me, nobody told me **Em C G D**  
The side effects of you **Em C G D**  
Losing balance, falling down **Em C G D**  
Sleepless nights whenever youâ€™re around **Em C G D**  
Nobody told me, nobody told me **Em C G D Am C G**  
The side effects of you  
The side effects of you  
Baby, the side effects of you
