Fm **Ebm/G**
I put your picture on my mirror
Ab
Start to blush when somebody says your name
Ebm/G
In my stomach there s a pain
Bbm7
See you walking my direction, I go the other way
Fm **Ebm/G**
I start to stutter when I speak
Ab
Try to stand, but my knees go weak
Ebm/G
What s happening to me?
Bbm7
Anybody can you tell me what it means?

Ebm/G
I lay my head on my pillow
Bbm7
Starring out the window
Fm
Wish on a star for a sign
Ab
The reason why

Fm **Ebm/G**
You re always on my mind
Ab
When you come around I get shy
Eb
Baby When I see you
Bbm7
When I see you
Fm **Ebm/G**
Never know when you might walk by
Ab
So I gotta be right on time
Eb
When I see you
Bbm7
When I see you

I scribble X and O s in my notebook

Checking how my hair and my nails look
I feel myself in the zone
I get nervous when you call, so I say I m not home
I see your face when I hear my favorite song
Should I send an e-mail at home?
You re the #1 topic on the phone
I wonder if you know, or do yo have a clue? Yeah

I lay my head on my pillow
You got me starring out the window

Wish on a star for a sign
What s the reason why? Yeah

You re always on my mind
When you come around I get shy
(Babe) When I see you
When I see you
Never know when you might walk by
So I gotta be right on time
When I see you
(Babe) When I see you

Fm **Ebm/G** **Bbm7**
Something now is taking over me
Ab
Yeah, yeah, yeah, yeah, yeah, yeah
Fm
I m not gonna run I m,
Ebm/G **Bbm7** **Ab**
Just gonna stand here and see

You re always on my mind
When you come around I get shy
(Babe) When I see you
When I see you
Never know when you might walk by
So I gotta be right on time
When I see you
(Babe) When I see you

You re always on my mind
When you come around I get shy
(Babe)When I see you
When I see you
Never know when you might walk by
So I gotta be right on time
When I see you
(Babe) When I see you
