Vers 1

```
C#5 G#5 C#5 G#5 F#5  
Standing at the bus stop and heading on over the bridge  
C#5 G#5 C#5 G#5 F#5  
I was listening to the sounds of sirens coming over the hill  
C#5 G#5 C#5 G#5 F#5  
Running down the sidewalk looking at the cracks in the streets  
C#5 G#5 C#5 G#5 F#5  
Staring at expressions on the faces I ll never meet
```

```
C#5 G#5 D#5 F#5  
Standing on the docks watching the waves as the city sleeps  
C#5 F#5 G#5  
I m wondering how something so beautiful can cut so fuckin deep
```

Chorus

```
C#5 C/C#5 Bb5 G#5  
And it s like roses and razor blades  
F#5 G#5  
There are scars in this world that are never gonna fade away
```

Vers 2

```
Here in lies my confession  
It s a root of all of my aggression  
See I m a bitter motherfucker cause I m four steps back fall steps back  
Hit the bottle and I ll never look back  
But I aint gonna give up, no I aint done yet
```

Now my only motivations are others expectations
What kind of punk would I be if I took shit for being me

Chorus 2

C#5 C/C#5 Bb5 G#5
And it s like roses and razor blades
F#5 G#5
There are scars in this world that are never gonna fade away
C#5 C/C#5 Bb5 G#5
And it s these moments that make us realize
F#5 G#5
Maybe life aint so fucking bad, better be grateful for what you have

Bridge

F#5 C#5
It s gonna be tough
F#5 C#5
We ve got lost lives and broken hearts
F#5 C#5
We re outcasts looking for angels
F#5 G#5
We find more comfort in strangers

C#5 G#5 Bb5
And every time I look into my own eyes another little piece of me dies
F#5 G#5
We ll never know what s keeping us, keeping us alive

Chorus (2x)
