Do you believe what you said

Cause it s still running through my head
G **F** **G**
I think you might, this time

C **G**
If it s al-right with you
E7 **Am**
I think I ll put on one last tune
G **F** **G**
Because for you success is failure

You told me you ve got something for me
E7 **Am**
You just can t put your finger down
G **F** **G**
No not tonight, not tonight

Chorus

F **C**
Give me rock and roll
G **Am**
When I m all alone
F **C** **G** **G**
Let me borrow some of those city lights
F **C**
Give me love when I fight
E7 **Am**
Use a prayer on me tonight
F7 **G** **C**
And find some grace for me

I ve got the west coast blues
E7 **Am**
You can see it in my eyes
G **F** **G**
Oh it ll pass just give it time

And the birds can really get around

E7 **Am**
Oh I love how they soak up the sun
G **F** **G**
Then lift up and fly away

E7 **Am**
You told me you ve got something for me
E7 **Am**
You just can t put your finger down
G **F** **G**
No not tonight, not tonight

So,Give me rock and roll
G **Am**
When I m all alone
F **C** **G** **G**
Let me borrow some of those city lights
F **C**
Give me love when I fight

Use a prayer on me tonight
F7 **G** **C**
And find some grace for me

F **C**
So,Give me rock and roll
G **Am**
When I m all alone
F **C** **G** **G**
Let me borrow some of those city lights
F **C**
Give me love when I fight
E7 **Am**
Use a prayer on me tonight
F7 **G** **C**
And find some grace for me

Give me love when I fight
