G

Well I knew she belonged to someone else at the time

D7

But lonely lookin women are a weakness of mine

So I bought all she said about the love he never gave her

And figured I just love her some and do us both a favor

G

Just as I got up to leave he walked through the door

G7

C

And I guess I thought he d be surprised

D7

But he looked at me as if to say he s been there before

And he offered me these words to the wise

Chorus:

G

He said you know she s a cheater son

But you believe that you re the one

D7

Who s got a lot of what it takes to change her

And I ve no doubt that you can get her

You ain t much but that don t matter

G

Nothing suits her better than a stranger

And the stranger man the better

And the chances are she ll set her

G7

C

Eyes on you the next time she goes slumming

D7

So you sit back and wait your turn boy

You got lots of time to learn boy

G

Cool it while you can your time s coming

Well it happens that in time it happened just like he said

D7

And soon enough her shoes were setting under my bed

And I ll confess I did my best to prove that man had lied

But nothing short of suicide could keep her satisfied

G

So buddy losing her to you was just a matter of time

G7 **C**

And it s her time for finding something new

D7

Nothing I can say is gonna make you change your mind

So I ll just give the same advice to you

Repeat Chorus:

D7

G

I said cool it while you can cause your time s coming
