Love Doesn't Kill You Chords  
Fastball

**A**                                  **C7**                                  **Bm**  
It doesn't kill you, it's not a one-way ticket to a lonely life  
                  **Bm**  **E**  
It might break your heart, but the physical risk is low  
                  **A**  **C7**  
You might feel so bad that you wanna die  
                  **Bm**  **F#m**  
but if you died you would never know  
  **A**  
that it didn't kill you  
  **Bm**  
soon you would've felt better

[verse chords]

**A**  
are you happy in heaven?  
                                  **C7**  **Bm**  
do you win all the games that they play up there?  
**Bm**  **E**  
do you have a new body?  
                                  **Bm**  **E**  
what kind of wings do you wear?

[chorus chords]

**A**  **C7**  
I haven't felt so bad that I wanted to die  
                                  **Bm**  **F#m**  
but if I died I would never know  
  **A**  
Love doesn't kill you  
  **Bm**  
it's supposed to make you feel better

[bridge]

**A**  **D**  
You're never going to feel any better  
**A**  **D**  
once you're dead, you don't get any deader

**A** **Bm**  
and you get no lovin but you feel no pain  
**Bm** **E**  
never have to lose again
