Fastball - The Way
Tabbed in Brazil by Eric Asquini.

[Verse]
F#m
They made up their minds

                        Bm
And they started packing

      C#7   **F#m**
They left before the sun came up that day

      F#7   **Bm**
An exit to eternal summer slacking
F#m   **C#7**
But where were they going without ever

                F#m
Knowing the way?

F#m
They drank up the wine

                 Bm
And they got to talking
C#7   **F#m**
They now had more important things to say
F#7   **Bm**
When the car broke down they started walking
F#m   **C#7**
Where were they going without even

                F#m   **E**
Knowing the way?

[Chorus]
                     A
Anyone can see the road that they walk on

       E
Is paved with gold
F#m
It s always summer

        C#7
They ll never get cold

        D
They ll never get hungry

          A   **E**
They ll never get old and grey

           A   **E**
You can see their shadows wandering off somewhere

      F#m
They won t make it home

```
                C#7
But they really don t care
            D
They wanted the highway
                A           E       C#7
They re happier there today

[Verse]
F#m
Their children woke up
                    Bm
And they couldn t find them
        C#7                         F#m
They left before the sun came up that day
        F#7                             Bm
They just drove off and left it all behind em
F#m                     C#7
But where were they going without ever
                F#m       E
Knowing the way?

[Chorus]
                    A
Anyone can see the road that they walk on
        E
Is paved with gold
F#m
It s always summer
            C#7
They ll never get cold
            D
They ll never get hungry
                A           E
They ll never get old and grey
                A                   E
You can see their shadows wandering off somewhere
        F#m
They won t make it home
        C#7
But they really don t care
        D
They wanted the highway
                A           E       C#7
They re happier there today
