

Warm Fuzzy Feeling
Fastball

A **F#**
I got a warm, fuzzy feeling
Bm
When I saw you on TV
E
You were wearing a piece of me
A
And it breaks my heart to look around
D **Dm**
And see the unimpressed
Bm **E** **A** **E**
Who can't believe the emperor is dressed

A
Turn on my TV
F#
I wanna check some action
Bm
Well if you got no video
E
Well then folks don't wanna know
A
But with you up there to light the way
D **Dm**
I can wear a smile as I survey
A **F#**
Those faces in the dark
Bm **E** **A**
Waiting for you to hit one out of the park

BRIDGE
D **F#** **Bm**
We notice every tiny little detail
E **A**
And every word we read we'll take to heart
D **Bm** **A** **F#**
Never really understand until you realize
G
There are no lies
E
When you see that look in their eyes

A **F#**
What are we gonna use to fill these empty spaces
Bm
When you see her in the crowd
E

Will you make your mama proud

A

She can turn around and see the faces

D **Dm**

Looking at her son

Bm **E** **A** **E**

Climbing his way up to number one

Bm **E** **Dm** **A**

Scratching his way up to number one
