Make the warm winds circle round my head just like you do,
If I could do it, I d be doing it to you,
I believe I d buy whatever you would sell to me,
Nothing in my life ever came with a guarantee,

[Chorus]

You re An Ocean, You re An Ocean
Settle Down, Settle Down,
What s the commotion,
I m an island, but you re an ocean,
It s a stormy sea of love and emotion,
You ve got me suspended motionless in time

[Break]

[Verse]

I believe I d buy whatever you would sell to me,

Nothing in my life ever came with a guarantee,

[Chorus]

You re An Ocean, You re An Ocean

Settle Down, Settle Down,

What s the commotion,

I m an island, but you re an ocean,

It s a stormy sea of love and emotion,

You ve got me suspended motionless

You ve got me suspended motionless

You ve got me suspended motionless in time
