Zoom - Fat Larry's Band

Chords by Matt Poole of England, England.

One for all you 80's children - some great chords in this, and if I was a nice guy, I'd write them out.

But I'm not.

Verse 1:

Ab Db/Ab Ab
zoom, just one look and then my heart went boom
Db/Ab Cbmaj7
suddenly, and we were on the moon
Bbm7 Bbm7/Eb Ab Gm7 C7+
flying high in a neon sky oh

(Verse 2 same as verse 1)

bang, just one touch and all the church bells rang
heaven called and all the angels sang
sunrise shine in a midnight sky oh

Chorus:

Bbm7 Bbm7/Eb Abmaj9
zoom, you chased the day away
Bbm7 Bbm7/Eb Abmaj9
I knew, the moon and stars came out to play and then
Gm7 C7
my whole wide world went

(use verse chords again here...)

zoom, moonbeams dancing in the afternoon
shadows blowing as the roses bloom
looking down on a wonderland oh

(and here)

smack, just one kiss and I was outta whack
all at once there was no turning back
oh so far above the brightest star oh

(chorus chords here)

zoom, you chased the day away I knew,

the moon and stars came out to play and then
my whole wide world went zoom

(other bit)

F Bb

I touched a rainbow as we went flyin'™ by

F

faster and faster we were higher than high

Bb Am7

for once in my life time I was finally free

Dm7 F

and you came back to me

(synth solo over verse chords)

(chorus chords again)

zoom, you chased the day away

I knew, the moon and stars came out to play oh, oh

zoom, you chased the day away I knew,

the moon and stars came out to play oh, oh

zoom, you chased the day away I knew,

the moon and stars came out to play

(spoken) zoom
