

Weapon Of Choice
Fatboy Slim

Basically the whole song has the same pattern:

G -----
D -----
A ---2-4h64-----
E -4-----

You could blow a this...

1 part 2x and 2 part 2x then repeat

G -----I -----
D -----I -----
A ---4--2h44-I -6---4h6
E -----4-----I ---6-----

Now comes the tricky part

G -----
D -----4-----6-4-----
A -----2222-4444-5555-5h6-6-4-----6-4---
E -4444-----7-----7-
