[Intro]

**C** | **Em Esus4** | **Am** | **B7sus4**

[Verse]

**C** **Em**  
Oh honeybear, honeybear, honeybear  
**Esus4** **Am** **B7sus4**  
Oooh, Mascara, blood, ash, and cum on the Rorschach sheets  
Where we make love

**C** **Em**  
Honeybear, honeybear, honeybear  
**Esus4** **Am**  
Oooh, Fuck the world, damn straight malaise  
**B7sus4**  
It may be just us who feel this way

**Bb7/F** **C**  
But don t ever doubt this  
**Am**  
My steadfast conviction  
**Bb7/F** **C**  
My love you re the one I want to  
**Am**  
Watch the ship go down with  
**Bb7/F** **C**  
The future can t be real, I barely  
**Am**  
Know how long a moment is

**A**  
Unless we re naked getting

**Fmaj7**

High on the mattress, While the

**B7sus4 C**

Global market crashes

**Fmaj7**

And debt fills the streets with garden

**B7sus4 C**

variety oblivious

**G**

You grab my hand and say in I-told-you-so voice

**Abdim Fmaj7**

It s just how we expected

[Chorus]

**Em Am**

Everything is doomed

**Em Fmaj7**

And nothing will be spared

**B7sus4 C**

Oh I love you, honeybear

**Em Esus4 B7sus4**

Ooh ooh ooh ooh, ooh ooh ooh oooooh

**C Em us4 Am B7sus4**

Honeybear, honeybear, honeybear, Ooh ooh ooh, ooh ooh ooh ooh

[Verse]

**Bb7/F C**

You re bent over the altar

**Am**

And the neighbors are complaining

**Bb7/F C**

That the misanthropes next door are probably

**Am**

conceiving a Damien

**Bb7/F C**

Don t they see the darkness rising, good luck

**Am**

Fingering oblivion

**A**

We re getting out now while we

**F**

can, You re welcome boys

**Bb7/F C**

Have the last of the smokes and chicken

**Fmaj7**

Just one Cadillac will do to get us

**Bb7/F** **C**

out to where we re going

**G**

I brought my mother s depression, you ve got your father s scorn

**Abdim** **Fmaj7**

And a wayward and schizophrenia

[Chorus]

**Em** **Am**

But everything is fine

**Esus4** **Fmaj7**

Don t give into despair

**B7sus4** **C**

Cause I love you honeybear

**Em** **Esus4** **Am**

**B7sus4**

Ooh ooh ooh ooh, ooh ooh ooh oooooh

**C** **Em** **Esus4** **Am** **B7sus4**

Honeybear, honeybear, honeybear, Ooh ooh ooh, ooh ooh ooh ooh
