

Nancy From Now On
Father John Misty

I tried the other tab that s on this site and it was good, but I thought there was still a bit missing. So, I watched a video of him playing it acoustically and I think this is pretty close to it. When he was plying it, I think he had all his guitar strings tuned down a whole step so instead of playing an F he played a G. I took the liberty of writing the tab for standard tuning. Some chords are played longer and/or shorter than others. To get the timing right listen to the song and play along with it.

Verse:

F, G7, C7, Dm, G7, C7, F

Chorus:

F, F+, G7, C7

F+:

e-x

B-2

G-2

D-3

A-4

E-x

I hope this helps a bit to those wanting to play the song. One love, peace in the middle east.
