

Only A Miner
Faun Fables

C **F** **C**
Poor hardworking miners, their troubles are great
G
So often while working, they meet a sad fate
C **F** **C**
Killed by some accident, there s no one to tell
G **C**
Their mining s all over, poor miner farewell

F **C**
Only a miner, killed under the ground
G
Only a miner, but one more is gone
C **F** **C**
Only a miner, but one more is gone
G **C**
Leaving his wife and four children alone

C **F** **C**
Leaving his little ones out on the street
G
Tired and hungry with nothing to eat
C **F** **C**
Momma is jobless and papa is dead
G **C**
They re coal miners children, begging for bread

F **C**
Only a miner, killed under the ground
G
Only a miner, but one more is gone
C **F** **C**
Only a miner, but one more is gone
G **C**
Leaving his wife and four children alone

C **F** **C**
When I m in Kentucky, so often I ll meet
G
Coal miners children out on the street
C **F** **C**
What are you doing, to them I have said
G **C**
We re coal miners s children, begging for bread
