```
D                          Am/D
  Every year lasted too        long,
      C
with      easter bunnies,
G
  birthday cards,
     A                    A7
And     seaside outings     in the summer,
D                      Am/D
  only to break the        long
C                   G
  Gap of time that    stretched between
     A                    C9
the     one and the other    Christmas
```

```
(C9)                          Gm7
    Christmas in the sixties was       fine
     C9                              Gm7
With     candles, goodies, presents and     wine
B9                            E9
  ´peace on earth´ was real, it       seemed
    B9              E6             A            A13    A7 -       D -

And     love a word as    yet not ob -     scene, no,     no
```

```
(D)                          Am/D
   Watching the season pa -        rade
C                G
  Dying trees and    neon spars
     A              A7
and    plastic santas    for a penny
D                  Am/D
```

```
   urging to cele -       brate,
C - G -
A                           C9
