

**Jumpo Around  
Fear, and Loathing in Las Vegas**

[Intro] **D# G# Bm A#**

**D# G#**  
Summer has now come  
**D#**  
Wow!

**D# A#**  
The time to jump at the beach has now arrived  
**D# G#**

Come on, lets play with us  
**D# G# D#**  
Why don t we hop around the hot summer shore  
**D# A#**  
Forget all the boring stuff we got to care and have fun

**G#**  
The sun shines bright upon the sky  
**A#**

Tanning our skin hot and brown  
**B**  
This place is our play ground for us to play  
**D# G#**  
Everyday we have to bother with many shits

**Bm**  
I know how it really suck but for  
**A# G#**  
Now why not party and jump all night long with us

**D# G# Bm**  
I get how you feel so dull to face problems you would never want  
**A# B C D#**  
But for now lets jump and sing all night long  
**D#**

Jump now!  
**D#**  
Shake the floor and shake the earth with both of your feet  
**D#**  
Create and feel the beat  
**D#**  
Jump as high as the sky

( **D# G# Bm A#** )

**D# G#**  
The sun is falling into the blue ocean  
**D# A#**  
Coloring the scenery into orange but its not over  
**Bm G#**  
Even if the round glowing moon comes rising

**G#**

The fun never ends and will last forever

**D#**

Lets dance

**D#**

Jump until next morning

**A#**

Party all day

**A#**

Let s all hold hands and jump around the fire

**G# A# Bm D/F#**

Do not be scared

**G#**

**A#**

**D#**

You can always come back here anytime

**G#**

**A#**

**Bm**

**D/F#**

**G#**

We won t leave you so do not worry

**A#**

**D#**

This place will stay forever

**G#**

**A#**

Stars shine and light from up high

**Bm**

Telling us that the party will not end

**A#**

**Bm**

Hey, are you ready to jump now?

**E**

**A**

We have to bother with many shits

**A**

**C#m**

**B**

**A**

I know how it really suck but for now why not party

**A**

And jump all night long with us

**E**

**A**

**C#m**

I get how you feel so dull to face problems you would never want

**B**

**C**

**D#**

**E**

But for now lets jump and sing all night long
