                        |heavy feedback

chorus (same as intro)

LYRICS

Wires around your arms  
Like wires around your head  
Crucifix of me  
Above your bed

I ve seen the wounds  
That you can t hide  
You bleed well  
When I cry

Cry, cry, cry, cry  
Scumgrief, Scumgrief

Smell the rats of devience  
Coursing thru your veins  
Rotting faith in yourself  
Confined alone to decay  
I ve seen the wounds  
That you can t hide  
You bleed well  
With the rat inside

Smell the rats of devience  
Coursing thru your veins  
Rotting faith in yourself  
Confined alone to decay  
I ve seen the wounds  
That you can t hide  
You bleed well  
With the rat inside

Cry, cry, cry, cry (repeat til end)

that s about it... the parts i didn t tab are easy to figure out...  
there s a variety of different ways of playing it, so find one you like  
and stick with it.
