

Merchants Of Decay Acoustic
Fearless Vampire Killers

This isn't perfect, but I'm pretty sure a lot of people have been looking for the chords to this fabulous song so... I tried my best :3 Xx

/// = Mute all the strings, so no notes play, and just strum away (I forgot what it's actually called)....

Am **F**
Here, not again
G **G** **E**
Tears hang in my throat I lose a breath
 F **G** **G**
And bow my head
Am **F**
Her, still asleep
 G **G** **E**
Addictive like the moment of release
 F **G**
A little dying makes you feel

~Instrumental Part~ **Am**... **C** (slide it up two frets) **E**... x2

Am **F**
Fall, of a day
 G **G** **E**
The touch of winter's chill has laid a claim
 F **G**
My breath appearing a haze
Am **Am**
Look to the sky
 G **G** **E**
The towers make me dizzy and the lights
 Am **G** **F** (all 3 are barre chords, so **Am** is on 5th fret)
Are hell fire

Chorus!

E **Am**
To the Merchants of decay
 C **F**
Your eyes hold a darkness
 G **Am** **F**
A love for the reckless heroes of our fear
 E
