Its What He Wants
Feedback

Hey, this is my own work, its piss easy to play but there we go.

Unfamiliar chords

Dvar

```
E|-3-|
B|-3-|
G|-3-|
```

Intro (palm mute until the final D)
Em   C   D   Em   C   D   G   D Dvar (now change quickly between D and Dvar
strumming once per beat)

Verse
Em   C   D
A lonely boy, walks beside a gentle girl
     Em   C
For the love he cant contain
          G
When she wakes, hes there
             D
Watching in despair
                         D Dvar (same quick changing as in the intro)
He dousent exist in her eyes

Chorous
meh i cba right now too tab all this out i will tab it out some other time for u
