Hi everyone we are a new band who have just started up and i thought i would submit this song we have just finished writting. we are from Liverpool. hence the name of the song.

here goes nothing.

G#m
day slowly turns to night
Ebm
dim are the street lights
G#m
I used to know this town
Ebm
but now its upside down

CHOURS

G#m
What a place to live
Ebm
Death is in the air
G#m
But no-one seems to care

G#m
Slowly i fall to my knees
Ebm
And i ask the lord please
G#m
Take me away from this town
Ebm
And turn my life around

CHOURS

G#m
What a place to live
Ebm
Death is in the air
G#m
And no-one seems to care

G#m
And as I take my last breath
Ebm
I stir into the eyes of death
G#m
And now...now i can see

Ebm

Just what this city has done to me

CHOURS

G#m

Liverpool what a place to live

Ebm

Liverpool what a place to die

G#m

Liverpool what a place to live
